BOARD PRESIDENT’S REPORT

Board President Kal Zucker said the decisions the Board makes should reflect the values of the community. He thanked his colleagues for the outstanding job they’ve done representing the values of the community. While they may not agree on everything, everyone has handled themselves with civility, decorum, respect and true thought about the issues before them. Mr. Zucker read excerpts from the Educational Equity Policy that the Board passed. He expressed that this was not an easy policy for a district to pass, but feels that it
signifies our District’s goal to provide all students with the support and opportunity to succeed by providing the necessary policies and resources. “Our students deserve the very best,” Mr. Zucker stated.
