

Bond Accountability Commission

Mission: The mission of the Cleveland Heights-University Heights City School District's Bond Accountability Commission is to monitor the progress and expenditure of funds for the middle school portion of the District's Master Facilities Plan Phase I, as authorized by District voters as Issue 81 in November 2013.

Creation: This committee shall be established pursuant to Board Policy 9140 - Citizens' Advisory Committees. As per the policy, the committee will have oversight from the Superintendent, or her designee. The BAC will be a newly formed committee, separate from the Facilities Accountability Committee (FAC), which completed its charge with its report on the high school portion of Phase I to the Board of Education in January 2017.

Responsibilities: The BAC will monitor project budgets, expenditures and schedules. District staff will share all relevant items with the committee for discussion.

Meetings: The BAC will meet quarterly throughout the year and submit a report to the Board of Education following each meeting. All meetings will be held open to the public. BAC meetings will commence in September 2017. The Superintendent, or her designee, will lead the meetings and establish all agendas.

Reports: The BAC will provide quarterly updates on budgets, expenditures and schedules to the Superintendent, who will convey the report to the Board of Education. Reports and meeting agendas will be made available to the public via the District website, chuh.org.

Duration: The BAC will conclude when the renovated middle schools open in August 2019.

Membership: The Superintendent, or her designee, will solicit applications for membership on the committee.

Membership is voluntary and limited to residents of the CH-UH School District. Members must have a background in the areas of finance, construction, engineering, architecture or project management. There is no fixed term for membership, and replacements will be added as needed.

A representative from the Board of Education will be included as an ex-officio member on the committee. CH-UH District staff members will be appointed to the committee under the direction of the Superintendent.
