

Who Doesn't Need A Massage ?

Cleveland Heights-University Heights City School District employees have a wonderful resource available to them, and her name is ...

Eileen Barrett !!!

A bit about Eileen ~

Eileen is a Euclid High School and BGSU graduate. She has a Recreation Degree with a minor in Adapted Physical Education and attended Ohio College of Massotherapy to earn her Massage Therapy Degree. Eileen is licensed with the Ohio Medical Board and is experienced in Swedish, Deep Tissue, Sports, Hot Stone, Reiki, Prenatal, Aromatherapy, and Chair Massage.

Experience ~

Eileen does table massage at Schofield Kimpton and Intercontinental Hotels. She performed guest massages at The Ritz Carlton Hotel from 1998-2013 and does chair massages at various corporations in the Cleveland area. That's how we've come to know Eileen. A number of years ago, Eileen was brought in to the CH-UH Board of Education building to do chair massage, and we just won't let her stop!!! Recently, Eileen was invited to do chair massage at Canterbury Elementary. I'm sure all who allowed Eileen to work on them would agree that she's very skilled, and "*it just feels sooooo good*".

Eileen is willing to go to any of the CH-UH schools & work her magic! She charges CH-UH employees \$1.00 per minute, so if you have six or more people willing to get massages and are interested in having Eileen come to your location, please contact her at:
