

Notifications Bell Added to the Portal Toolbar

A new feature has been added to the Parent/Student portal called the Notifications Bell. Parents can select to be notified by a message on the portal when a student has been marked absent or tardy, when there is a grade change or when an assignment has been scored. To access the notifications, first make your preference settings by clicking on the Notifications Settings link on the left hand index.

Notification Settings

Check each notification that you want to receive. Unchecking the box will stop the notification. A notification is deleted after 30 days.

Parents - Settings changes will apply to all students in the household and affect only your parent notifications. Students make their own settings changes to affect their own notifications.

Students - Your settings changes will apply to your notifications only.

- Attendance** (Notifies you when there is an absence or tardy)
- Grade Changes** (Notifies you when a grade is changed)
- Assignment Scores** (Notifies you when an assignment is scored)

New Feature!
Notifications

Notifications carry short notes about grades, attendance and other events. Click on the bell to open Notifications and then click on a notification to be taken directly to it within Portal. To return to Notifications, click on the bell again. A notification will be automatically deleted once it is 30 days old.

Sign Out

Once this is done, when you log into the portal, you can view the notifications by clicking on the bell. Notifications are deleted after 30 days.
