

# **Coventry Study Committee**

*March 18, 2008*

## *Agenda*

**Goal of Meeting:** Committee members will receive clarification on questions and requests for data from the previous meeting. As the District's initiatives and priorities are part of the committee's guiding considerations, an expanded explanation of these will be provided. The first expert evaluation of the property's potential will be delivered from the municipal perspective. All committee members will share their ideas on potential uses for the site.
