

Coventry Study Committee

Meeting Timeline

- March 3** **Initial Meeting**
- Committee members understand the Coventry site and building floor plan, financial implications, goals, timeline, and some of the initial thoughts on potential uses of the property. After this meeting, committee members will use the background knowledge that they have obtained to begin thinking of and conferring with their constituencies about the potential future use of the property.
- March 18** **Expert evaluation of property potential from various perspectives:**
- Architectural
 - Developer
 - Municipal
 - **Charge:** Continue to solicit and review input from representative constituencies.
- April 8** **Categorize and determine committee member ideas**
- Determine which ideas to further investigate
- April 22** **Committee Work Session**
- Review/refine further potential ideas
- May 13** **Committee Work Session**
- Work towards consensus on recommendation
- May 20** **Committee Work Session**
- Finalize recommendation to Superintendent and Board of Education
 - Forward to Lay Finance Committee for analysis
