CLEVELAND HEIGHTS-UNIVERSITY HEIGHTS CITY SCHOOLS HOSTS 4 JOB FAIRS

District Plans to Hire Up to 100 Substitute

University Heights, OH – July 10, 2020 – For more than 100 years, the Cleveland Heights-University Heights City School District has been one of the most storied and successful school districts in Northeast Ohio. On July 23, the district along with The Renhill Group, Ohio’s premier substitute staffing solution will host its first of 4 Summer Job Fairs.

“We’re looking to fill several substitute positions for the district including building cleaners, custodians, security monitors, administrative assistants, and lunch aides for the 2020-2021 school year. We have excellent substitute opportunities for cleaners, custodians, secretaries, student aides, and teachers. Substituting is a great way for interested applicants to showcase their abilities, build their resumes and gain valuable experience and many of our substitutes go on to become future district employees,” said Dr. Lombardo, Assistant Superintendent of HR and Operations for CH-UH.

“We invite qualified candidates to attend one of the four job fairs. Our mission is to engage qualified capable candidates who have a sincere desire to make a difference in the lives of students,” said Barrie Howell, Renhill Group, President. “An ideal candidate would be a parent, retiree, or college student or graduate with a flexible schedule who wants to give back to their local community.”

The July 23 event will be held from 9:00 am-noon at the newly renovated Heights High School located at 13263 Cedar Road, Cleveland Heights, OH. Strict safety precautions and social distancing will be practiced. Additional job fair dates and times include:

July 30	9:00am-noon
August 11	9:00am-noon

August 18

9:00am-noon

Walk-ins are welcome and facemasks are required. Advance registration is encouraged and can be done by visiting <https://renhill.tedk12.com/hire/ViewJob.aspx?JobID=904> or by calling 216.767.5611. Local members of the community who cannot attend are encouraged to call to schedule an interview.

“These are unprecedented times, but we remain committed to providing a high-quality education to all of our students in a safe and healthy environment, said Lombardo.
