CLEVELAND HEIGHTS HIGH RENOVATION

The renovation of Cleveland Heights High School will be completed in time for the start of the 2017-2018 school year. Important historic aspects of the building have been retained, such as the iconic clock tower and brick facade, but the building has experienced a transformation into a true 21st Century learning space. Completely modernized from the ground up, classrooms and labs will be state-of-the-art, while musical, performing, and visual arts will have brand new dedicated spaces. Student-athletes and physical education classes will have access to the latest athletic facilities and equipment, including a community-accessible swimming pool.
