all dreams
can come
true if
we have
the courage
to pursue them

When each one of us shows strength in the face of pain or grief, we collectively make our world a better place. Let's talk about showing courage at Heights High. Are you able to stand up to bullies? Are you the student that defends the underdog? Are you the student that behaves appropriately despite what others say or think? Are you the student that has strong feelings about having a career that you love? Are you courageous enough to give life 150%?
