LORRAINE DODERO STEM SCHOLARSHIP - APPLICATIONS DUE APR. 21

The 2023 Lorraine Dodero STEM Scholarship application window is open!

Any 9th-12th grade students who identify as female are eligible to participate in this opportunity! Students will need to submit a copy of their transcript, essay and (2) letters of recommendation along with their application. Applications are due by April 21, 2023.

Lorriane Dodero STEM Scholarship Application

The scholarship program is growing! This year, the STEM Goes Red Scholarship will award six (6) scholarships of \$5,000 each to qualifying students! This 4th class of winners will be announced at the end of May, and the funds can be applied for a future school year. Please note: these funds are held in a designated account for the student until the student enters college, so they should not be discouraged from applying if they are younger.

For more information on the STEM Scholarship Fund, please email STEM.Scholarship@heart.org.

The American Heart Association's Go Red for Women movement and Lorraine Dodero, Executive Trustee of the Sam J. Frankino Foundation, developed the 1st of its kind scholarship in 2019, with the goal of bridging the gap between female students' interests in pursuing a career in a STEM field (Science, Technology, Engineering and Math) and achieving their goals. PBIS RAFFLE WINNERS FOR MARCH

MARCH

**CONGRATULATIONS TO THE FOLLOWING
PBIS RAFFLE WINNERS:**

Calyce Arnwine	Isaiah Hogans
Matthew Catron	Dominic Pressimone
Nathaniel Dixon	Romell Sumlin
Antonio Gibson	Simon Williams

**BE RESPECTFUL BE RESPONSIBLE
BE SAFE**

Winners, please see Mr. Dubsky in Office 326 to receive your prize from the PBIS Swag Shop!

Attention all high school students!

The staff has the ability to write a positive referral to celebrate your good behavior anytime you are caught making Heights High School a better place.

The positive referrals serve to reward and reinforce students for the monthly character development or the building level behavior expectations of **BE RESPECTFUL, BE RESPONSIBLE, AND BE SAFE.**

Your grade level principal will process the referral in order to make you eligible for a monthly raffle to win Heights High gear!

STUDENT PARKING DURING CEDAR LEE MEADOWBROOK PROJECT CONSTRUCTION

The Cedar Lee Meadowbrook project will be starting construction in the coming weeks. Lot 5, where some high school students/staff park, is going to be incorporated into that project and will no longer be available as a parking lot. We expect the lot to close and construction fencing to go up **during the week of May 1.**

Per the parking agreement between the City and District, Lot 34 (aka the “AT&T lot”) on Cedar will be the designated parking lot for school parkers moving forward. The attached map highlights the location. The parking garage at Cedar Lee will remain open to the public at all times. However, please note that there will be **no direct pedestrian path from the garage to Cedar Road/the high school.** We also expect the sidewalk on the south side of Cedar will be closed east of Lee Road during construction, as well as the crosswalk that crosses Cedar from the football field in front of the former beauty school. Parkers will need to cross to the north side of Cedar at Lee to walk to the high school. **The expected crosswalk/sidewalk closures are highlighted in red on the map pictured above.**

SUMMER INTERNSHIP OPPORTUNITY WITH THE HEIGHTS LIBRARIES

This summer, Heights Libraries will offer **two paid (\$1,000) internships** to local high school students in the area of digital literacy education. The program includes a general orientation to the library, various learning opportunities, and hands-on experiential activities. Specifically, the interns will shadow staff assisting customers in the computer/multi-media labs and observe computer classes. By the end of the program, interns will demonstrate what they have learned by co-teaching a computer class with help from one of the library’s Tech Trainers. Interns will have the opportunity to document their work and achievements using Adobe Portfolio.

The program is open to Cleveland Heights and University Heights residents between the ages of 16 and 19. Anyone under 18 years must have signed permission from a parent or guardian to participate in the program. **Applicants must also be able to commit to being at the library at least 16-hours per week for a period of 6 weeks (June 12-July 21) this summer.** Family members of current employees or members of the Board of Trustees are not eligible to apply.

To learn more, please contact Derrick Mason, Continuing Education Manager, 216-932-3600 ext. 1287 / dmason@heightslibrary.org

Application packets (application, resume, & copy of school transcript) are due by 5:00 p.m. on Monday, May 15, 2023.

PBIS FOCUS: RESPONSIBILITY

**TAKE
100%
RESPONSIBILITY**

When each one of us acts appropriately and independently, we collectively make our world a better place. Let's talk about responsible young adults. Arrive to class early with a positive attitude. Arrive to class early with your work complete and supplies in hand. Arrive to class early with the intention to participate and gain more knowledge. Arrive to class early with the mindset that you're already working on your career goals. Let's work on it, Heights.

Being responsible is all about you.
