The American Heart Association's Go Red for Women movement and Lorraine Dodero, Executive Trustee of the Sam J. # STUDENT PARKING DURING CEDAR LEE MEADOWBROOK PROJECT CONSTRUCTION

The Cedar Lee Meadowbrook project will be starting construction in the coming weeks. Lot 5, where some high school students/staff park, is going to be incorporated into that project and will no longer be available as a parking lot. We expect the lot to close and construction fencing to go up **during the week of May 1.**

Per the parking agreement between the City and District, Lot 34 (aka the “AT&T lot”) on Cedar will be the designated parking lot for school parkers moving forward. The attached map highlights the location. The parking garage at Cedar Lee will remain open to the public at all times. However, please note that there will be **no direct pedestrian path from the garage to Cedar Road/the high school.** We also expect the sidewalk on the south side of Cedar will be closed east of Lee Road during construction, as well as the crosswalk that crosses Cedar from the football field in front of the former beauty school. Parkers will need to cross to the north side of Cedar at Lee to walk to the high school. **The expected crosswalk/sidewalk closures are highlighted in red on the map pictured above.**
