ASPIRE - HEALTHCARE PROFESSIONALS ENRICHMENT PROGRAM

ASPIRE is an enrichment program sponsored by Cleveland Clinic and The Howley Foundation in collaboration with local colleges and universities for **rising juniors**. The program provides participants with career information and critical skill sets to support their progression through higher education or workforce entry and beyond with the goal of becoming healthcare professionals at Cleveland Clinic.

There are two ASPIRE programs, each with different career focuses.

ASPIRE Pathways offers hands-on learning in **Respiratory Therapy, Sterile Processing, and Surgical Technology**. Applications for Cleveland Clinic ASPIRE Pathways are now being accepted through October 1, 2023.

ASPIRE Nurse Scholars Program offers essential competencies in successfully becoming a nurse. Applications for Cleveland Clinic ASPIRE Nurse Scholars Program are now being accepted through October 1, 2023

ESC NEO STUDENT SUMMER CAMP - MANUFACTURING

The ESC of Northeast Ohio is hosting a **free Summer Camp** for High School Students (including rising 9th graders) on **June 21 and 22** at the ESC, providing an overview of Manufacturing as a potential future career option. Students will have opportunities to meet with business leaders in manufacturing companies, for site visits to Avery Dennison and Swagelok, and learning with technology.

"FIND YOUR CAREER PATHWAY"

The "Find Your Career Pathway" **video** and **toolkit** aim to guide students in their educational journey to land a successful career right here in Ohio.

Ohio Lt. Governor Jon Husted, Director of the Governor's Office of Workforce Transformation, has created this resource that provides information for students, parents, and teachers about the different career pathways available to Ohio students.

The "Find Your Career Pathway" resource encourages Ohio students, parents, and schools to start conversations earlier about the best pathway to a successful career in Ohio.

MATH CORPS SUMMER CAMP AT CSU

Math Corps Summer Camp is returning in 2023 and is currently accepting applications! The Math Corps at CSU is a combined academic enrichment and mentoring program that brings middle and high school students from the greater Cleveland area together, with college students, to learn mathematics from each other, as well as to interact with professional mathematicians in a university setting.

The camp will run from June 26 to July 28, 2023. Monday-Thursday, 9:30 a.m. - 2:30 p.m.

Middle school students click [here](#) to apply as campers.

High school students click [here](#) to apply as Teaching Assistants (TA).

NURSES NOTES: IMMUNIZATION UPDATE

Class of 2024: Now is the time to check the status of your Meningococcal A vaccine, which is **required PRIOR to entering 12th grade** and is also required for college. The vaccine could be administered at school during your junior year (as well as during the summer) through the MetroHealth Wellness Center located at Heights High.

Documentation of having received the vaccine must be on file in the nurse's office prior to starting your senior year!

For further information/questions, contact the **Nurses Office** at **(216) 320-3108** or call **(216) 957-1303** to schedule an appointment with Metro at the CH-UH Wellness Center.

SUMMER READING 2023

Cleveland Heights High School is excited to announce our Summer Reading Program for the Summer of 2023. Rising 8th, 9th, 10th and 11th graders will receive a book to be read over the summer next week in their English classes. We invite you to read along with Heights High students as they read their summer book.

Rising 9th Graders - Dear Martin by Nic Stone

Rising 10th Graders - Small Great Things by Jodi Picoult

Rising 11th Graders - All My Rage by Sabaa Tahir

Rising 12th Graders - Punching the Air by Ibi Zoboi and Yusef Salam

As students read the book, they are being asked to keep a Double-Entry Journal of 20-30 quotes, phrases or words, along with their thoughts for each.

Students will discuss summer reading books in English when school starts in August. These discussions will culminate on October 5 and 6, when the high school will host a Social Justice and Belonging JamFest. This teacher and student-led event will provide opportunities to engage in what social justice means and create a sense of belonging through social justice and equity here at Heights High. More details about this exciting two day event will be coming in August, as we invite families, community members and students to participate along with us!

54 referrals for 67 students

Out of Assigned Area - Tardy to Class
28 referrals for 43 students

PBIS FOCUS: LOYALTY

When each one of us shows support or allegiance to one another, we collectively make our world a better place.

Ask yourself...

Can my family depend on me? Can my teachers depend on me? Can my friends depend on me? Can my employer depend on me? Who do I depend on? Who is always there for me? Who can I go to whenever, wherever for support? Who does for me unconditionally to help me push forward?

Loyalty is priceless.

SECURITY SCOOP

FROM MR. WATTERS, COORDINATOR FOR SAFETY AND SECURITY

To do our part to mitigate vaping in school, Heights High School is piloting a set of vape sensors in the school restrooms by the cafeteria. The administration monitors notifications from the vape sensors, and if it is determined that a student may have been vaping, the student will be assessed and possibly searched. Any necessary disciplinary action will be taken in accordance with the Student Code of Conduct.

If administration determines that the vape sensors are effective, they will be permanently installed in all Heights High School restrooms before the start of the 2023-2024 school year.
