BOOK VENDING MACHINE INTEREST SURVEY

Students: the high school library wants your opinion! Some schools have added book “vending machines” that are used to give students rewards.

Students earn tokens as a reward to use in the machine to get a book. The rewards can be for behavior, attendance, grades, improvement, just about anything. It does not cost the students anything! It would include different kinds of books: fiction, manga, poetry, etc.

The library wants to know what our students think about the possibility of getting a book vending machine for Heights High.

PBIS FOCUS: LOYALTY

When each one of us shows support or allegiance to one another, we collectively make our world a better place.

Ask yourself...

Can my family depend on me? Can my teachers depend on me? Can my friends depend on me?

Can my employer depend on me? Who do I depend on? Who is always there for me? Who can I go to whenever, wherever for support?

Who does for me unconditionally to help me push forward?

Loyalty is priceless.
