TRUSTED ADULT SURVEY

Do you have a trusted adult in the building?

A trusted adult is any staff member whose actions and words make you (the student) feel safe, who you feel cares about you, respects you, and you would feel comfortable confiding in.

Please take a moment to complete the Trusted Adult Survey identifying at least one staff member you would call your trusted adult. Please **do not** select more than 5 trusted adults.

STAY ^{IN} THE GAME!

KEEP LEARNING, EVERY DAY

 CH-UH Schools are proud to partner with the Cleveland Browns Foundation and the Stay in the Game Attendance Network in the 2024-2025 school year.

The District has adopted a plan for communications with persons with disabilities, which is available [here](#).

The plan establishes procedures to ensure that the District's communications with persons with disabilities, including applicants, participants, members of the public, and companions with disabilities, are as effective as its communications with others.

Vision & Expectation: A diploma in every hand. A plan in every head. A purpose in every heart.
