## SEPTEMBER: ATTENDANCE AWARENESS MONTH

Too often, we think of reducing absences as the job of parents or school clerks in the front office.

But communities across the country have started helping schools address chronic absence by building public awareness and leveraging resources.

## SCHOOL SOCIAL WORKERS CORNER

Greetings! September is National Suicide Prevention Month. Throughout this month, individuals and organizations around the country will join their voices to broadcast the message that everyone can play a role in suicide prevention.

Please take a couple of moments to review the following parent brochure that provides information on how to know the signs - find the words - and reach out, as well as tips on raising resilient teens.

If you have any concerns for yourself or a loved one, please contact the National Suicide Prevention Lifeline: 988 or the Crisis Text Line: Text HOME to 741741.

Heights High Guidance & Counseling staff are also here to support you and your teen. Please don't hesitate to reach out to us!

Wishing everyone all the best as we come together for another school year and embrace one another as part of the Tiger Nation Family!
