<p>The Roxboro Middle School's Bridge to 6th Grade event, is an opportunity for our incoming 6th graders to transition into middle school prior to the beginning of the 22-23 school year. Students will participate in various activities with their new 6th grade classmates that allow for collaboration, creativity, team building, and personal reflection. During these activities students will learn about our school-wide behavior and academic expectations, our Positive Behavior Intervention Supports (PBIS) program, tour the building, practice opening their lockers, and set personal SMART goals for the upcoming school year. This event is being hosted by the administrative team and counseling team, and available 6th grade teaching staff. Friendly reminder - this event is for students only.</p>	<p>The Where Everybody Belongs (WEB) 6th grade Orientation and transition program is designed to both welcome and support sixth graders by assigning them an 8th grade WEB Leader as a mentor during this first year of middle school. This WEB Leader is a responsible student who was hand selected from a large pool of applicants and has met the qualifications of being a good role model and a positive leader. The WEB mentor-mentee relationship will continue for the duration of the school year with planned advisor sponsored activities. During the WEB Orientation students will participate in fun activities with their WEB leader and classmates as well as receive a school tour and practice opening their lockers. This orientation is your child's only opportunity to participate in WEB and should be considered mandatory.</p>	<p>The Roxboro Middle School's 6th grade evening orientation is a time for parents/guardians to visit our school and begin the process of transitioning into middle school. There will be a presentation on the "Need to Knows" of 6th grade, a brief discussion of the new opportunities that middle school will provide for your students, information on how to set up an Infinite Campus account including how to check your student's grades. You will also have an opportunity to sign up for PTA, receive a tour of the building, and have an opportunity to talk with the administrative team, counselors, and available 6th grade teaching staff. While the program is designed for parents/guardians, your student may attend with you.</p>

	<p>Please plan to drop your child off on West Saint James. Students will enter Roxboro through the doors by the large front columns. A WEB Leader will greet them. Friendly reminder - this event is for students only.</p>
