

TITLE I RFP FAQ

QUESTION:

On the previous RFP (for 2017), three letters of recommendation were required. For the current RFP, the instructions did not specify letters of recommendation, but rather "provision of three references." Would listing three individuals/schools to whom we have provided services in the past, as well as their contact information, fulfill this requirement? Is it acceptable if these are the same as our top three customers (as indicated by dollar amount)?

ANSWER:

For both of the above questions, the answer is yes.

QUESTION:

What grades should we plan on for services?

ANSWER:

K-12.

QUESTION:

How many students per grade and per school will receive services?
