1. Summary

The Cleveland Heights-University Heights City School District Board of Education ("CH-UH," "School District" or "District") is accepting proposals for Third Party Providers to provide IDEAfunded services for non-public schools that serve eligible non-public CH-UH children. IDEA-funds requires a participating local educational agency ("LEA") to provide eligible students with disabilities attending non-public elementary and secondary schools with services based on an individual service plan (ISP). IDEA-funded services or benefits may be provided by an LEA or by a contractor who is independent of the non-public school and any religious organization. IDEAfunded services or benefits must be secular, neutral and non-ideological.

For school year 2019-2020, CH-UH has been allocated an estimated \$252,406.97 to serve approximately 300 students with disabilities attending six nonpublic schools in the Cleveland Heights-University Heights School District boundaries.

The purpose of this Request for Proposals ("RFP") is to gather competitive proposals for the delivery of IDEA-funded services during the 2019-2020 school year.
