## ACADEMY FORMAT

Each player will be placed on either the "Heights" team or the "Tiger" team and each team will have 4 or more coaches. Every soccer player will represent their team in a "small-sided" soccer game consisting of 5 players and a goalie on the field at a time. This style of play maximizes touches on the ball and allows for instruction to be individualized to each player's needs. The "Heights" team and the "Tiger" team will be fluid, meaning that each week soccer players may play with a different set of kids and/or a different coach but always representing their team.

## PROGRAM COORDINATOR

Coach Sean Sullivan has been the Director of Coaching for the Cleveland Heights Recreational Soccer League and the Heights United Soccer Academy for 12 years. Coach Sullivan led Heights High Boys Soccer for 21 years (14 years as a Head Coach) and is a twenty-three-year veteran teacher in the Cleveland Heights-University Heights School District.
