

2017 HEIGHTS YOUTH SUMMER LACROSSE

For Boys and Girls entering grades 2 through 9
Tuesday and Thursday evenings from 6:30 to 8:00 pm,
July 11th through August 3rd at Canterbury Elementary School

This program will be supervised by the Heights High School coaching staff assisted by selected Heights players and alumni. New players will learn the basic skills and techniques of the game in a fun environment. Players will learn to pass, catch, cradle, scoop and shoot as well as individual defense and offense. Experienced players will receive individualized coaching designed to sharpen these skills while learning team offense and defensive play. As players progress through the summer, scrimmages will be held. Experienced players may participate in more advanced scrimmages for middle school/junior varsity players. To participate in this program, **all players need a lacrosse stick and mouth guard.** **Parents of new participants must attend a brief meeting at the first session on Tuesday, July 11th** to provide medical information and discuss important policies. **Please park in the Canterbury School Parking Lot located off of Canterbury Road.** To enroll in the summer program please fill out the information below and return with your **check to Heights Lacrosse, c/o Carol Iott, 2711 Colchester Road, Cleveland Hts., OH 44106.**

**First child per family \$75.00 if registered before June 30, (\$85.00 after June 30th)
Each additional child \$65.00, (\$75.00)**

For additional information contact Carol Iott at 708-606-0863 or j.iott@sbcglobal.net

The above consent form is provided for the protection of your child should he/she become ill or be injured as a result of participation in the Heights Lacrosse Program. NO TREATMENT OTHER THAN FIRST AID, WILL BE INITIATED WITHOUT FIRST ATTEMPTING TO CONTACT YOU, HIS/HER PARENTS. These forms will be invoked to authorize emergency medical treatment only if you are not immediately available to grant the appropriate permission.

Please note that if authority is withheld, medical personnel may decline to begin treatment of any non-life threatening condition until permission is obtained from a responsible adult, even if this means several hours of discomfort for your child.
