SUPERINTENDENT'S REPORT

Presentation for Recommendations of New High School Courses for the 2012-2013 School Year – Jeffrey Talbert and Allison Byrd

Assistant Superintendent Jeffrey Talbert presented new high school courses to be added to the curriculum for the 2012-2013 school year. These courses are being presented now for Board approval in December in order to develop an earlier publication of the handbook so parents and students have more time to read the material, ask questions, and work with counselors and staff to make more informed decisions about their choices. The majority of the courses represents an effort to begin the alignment of our small schools to the District's Pathways of Choice.
